

Kian Capital, an investment firm with over \$400 million of capital under management, provides transformative capital solutions to established lower middle-market companies, often serving as the first institutional capital provider to closely held businesses. We have the flexibility to participate in all forms of junior capital, including common stock, preferred equity and subordinated debt. Our investments typically incorporate both equity and subordinated debt and we can act in either a control or non-control capacity.

Kian professionals are seasoned investors that can provide:

- Flexible capital solutions
- Expertise across all parts of the capital structure
- Unique ability to be value-added investors – our professionals have served as active board members for more than 35 middle-market companies that have made more than 100 add-on acquisitions
